

We
are NOW
OPEN
For Essential
Visitors!

Each resident can have two dedicated essential visitors that can visit their resident INSIDE Park Place! These are 1- to 2-hour scheduled visits Monday thru Friday with limited scheduled visits on the weekends!

These visits are personal interactions between a resident and 1 designated essential caregiver at a time with no physical distancing required. All visits are by appointment only. We are happy to work with families to accommodate visiting preferences.

ALL VISITORS MUST HAVE A NEGATIVE COVID-19 TEST RESULT WITHIN 14 DAYS OF EVERY SCHEDULED VISIT.

The results must be provided at the time of visit and a visit could be cancelled or rescheduled if results are not available. Testing is the responsibility of the visitor.

Visitors will be required to wear masks and, in some cases, even a face shield. These will be provided by Park Place.

What is an Essential Caregiver?

An essential caregiver is defined as a family member or other outside caregiver, including a friend, volunteer, private personal caregiver, or court appointed guardian, who is at least 18 years of age and has been designated by the resident or legal representative to provide regular care and support to a resident.

LONG TERM CARE – SHORT TERM REHAB STAYS – RESPITE CARE

For referrals or inquiries about admissions to Park Place, contact: Todd Lyles at (903) 941-4910 or Amanda Simmons at (903) 235-8078
